

How To View & Download Photos

1. Go to www.honeybunnphotography.com and select the 'Client Access' tab on the Home Page. When prompted enter the personalised access code provided by Honeybunn Photography (eg: mrandmrslawson).
2. If applicable, enter the password supplied when prompted.
3. Select the 'Slideshow' option in the top right hand corner of the page, and enjoy a slide show of the photographs (this can be stopped at any time by hovering the mouse in the top right hand corner of the page and selecting the white cross). The speed of the slideshow can be changed by selecting the 'Options' tab that appears when the mouse is hovered in the top right hand corner of the screen (see below):

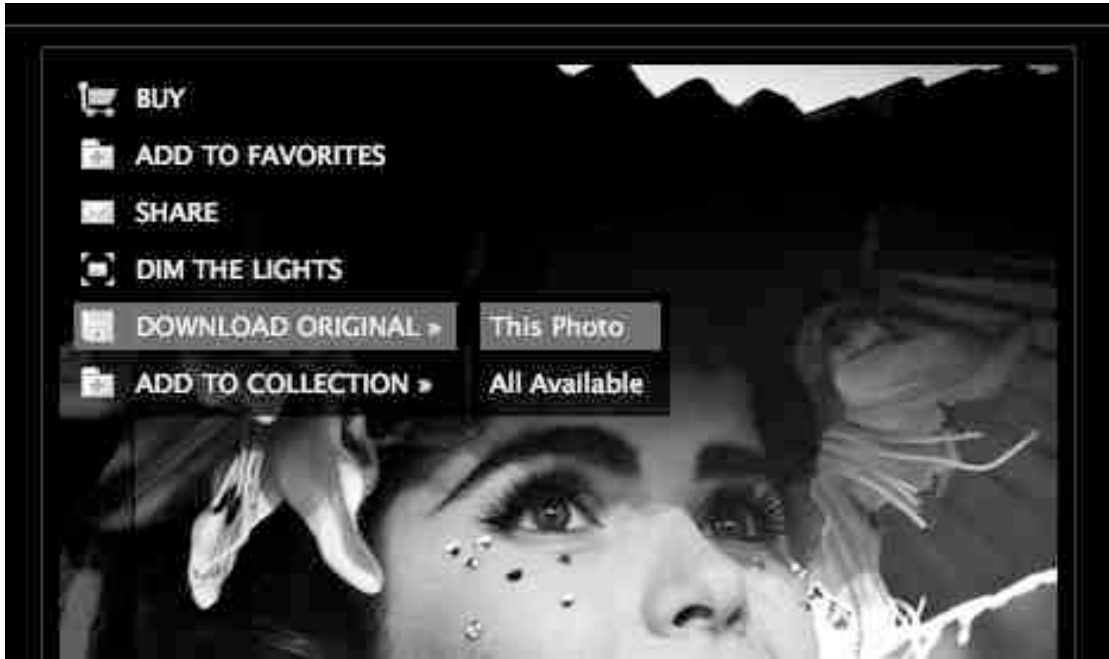

4. Prints can be ordered and photos downloaded (if applicable) once you have returned to the main grid screen (by exiting the slide show). Double click on the desired photo to see an enlarged version of the image. Then, by hovering the mouse over the top left hand corner of the image, a menu will appear, from which you can choose your desired action (see below):
